Brennaissance
WINE & STUD ESTATE

Welcome

Deep within the heart of the Devon Valley, a mere stone's throw away from Stellenbosch, lies Brenaissance Wine & Stud Estate. A place of new beginnings, this serene & evergreen estate is the passion project of husband-wife duo, Tom & Hayley Breytenbach – & it is here where they celebrated their new beginning when they became the first couple to tie the knot on what is today known as one of the top wedding & function venues in the Winelands.

Brenaissance (n): Derived from Breytenbach & the French 'renaissance', meaning 'new beginnings'. A place where new journeys & adventures find their origin.

Established in 2011, Brenaissance has earned a long-standing reputation for offering visitors, guests & bridal couples a truly memorable & exclusive Winelands experience. From premium wines & the finest local fare, to contemporary farm accommodation & unique venues – this world-class wine & stud estate provides a tasting menu of the finer things in life.

We understand that you cannot achieve true sophistication without taking convenience into consideration. Featuring a one-of-a-kind glass-enclosed chapel, venue, accommodation, restaurant, wine deck, al fresco river deck, & countless photo opportunities, we offer our bridal couples a "one-stop-boutique" where no travel is required on the wedding day.

Brenaissance is the epitome of classic & cozy elegance, & it's here where Tom & Hayley strive to give their guests the same magical new beginning that Brenaissance blessed them with in 2012. They have continued to build on this new beginning, & in 2016 they welcomed their son Hunter Leger Breytenbach into the world, baptising him right here at the Rose Conservatory (Chapel).

"It has always been a dream of ours to own a wine estate in Stellenbosch. We look forward to sharing our little piece of heaven on earth with you, our guest – & we raise a glass in salute to YOUR "new beginning". Whether it's as husband & wife, parents to a new born child, a birthday celebration, the start of a new year, or a milestone achievement – may you always celebrate the many blessings of new beginnings throughout your life!" – Hayley Breytenbach
